
Babe Display Corrigation

2010 solstice parade featured artist: sol stars - in a grand display of joyous street theater. the solstice parade is composed entirely of volunteer "community groups", friends, ... plastic corrugation, and lightweight fabric. the original idea for this creature came from a series of dreams, where the artist was visited by a white puppy who, through it's playfulness would induce a healing experience. sarah has spent at least 150 hours ...
